

Elders in Action, a powerful voice of older adults, is an innovative non-profit working to create a vibrant community for all ages throughout the Portland tri-county area. We are the only organization in Oregon that provides one-on-one advocacy for elders who have been victims of abuse or fraud, or who need help with issues pertaining to housing or benefits.

Every two years Elders in Action honors several distinguished Oregonians in various fields to represent and inspire our community with their story and dedication to our foremost value that "The Quality of Life Should Never Depend on Age". Our 2008 Honorees will be :

- **Dr. Joe Matarazzo**, prestigious educator and founder of the Department of Medical Psychology at OHSU;
- **Gwyneth Gamble Booth**, the Chair of the PGE foundation and First Citizen of Portland;
- **Maynard Orme**, President Emeritus of Oregon Public Broadcasting and current interim president of KBPS All Classical radio;
- **Jack Cain**, former owner of the Portland Rockies and current Senior Advisor to the Portland Beavers Baseball Club;

And finally, receiving our honors as well as emceeding the event will be **Darcelle XV**, owner of Darcelle's Showplace and star performer who has been entertaining Portlanders for over 37 years.

Our **Silver!** gala will be held on May 15, 2008 at the Tiffany Center from 6pm-9pm. Along with the program, dinner and entertainment, we will be conducting a silent auction. **Your contribution to the silent auction will help us make a difference in the lives of older adults.**

Your company's name will appear in our program as an acknowledgement of your donation. 100% of the money raised from our silent auction will be used to support Elders in Action's Personal Advocate Volunteer program.

Should you have questions about the auction, the **Silver!** event or Elders in Action, please call Vicki Hersen, Executive Director at 503-595-7536 or visit our web site at [www.eldersinaction.org](http://www.eldersinaction.org).

Thank you for considering a donation to this worthy cause benefiting local older adults.
