ELDERS IN ACTION, a powerful voice of older adults, is an innovative non-profit working to create a vibrant community for all ages throughout the greater Portland tri-county area. **We believe the quality of life should never depend on age.** We welcome the talent and wisdom that older adults provide to their community.

Our programs include

Elder Friendly®

Business Certification

Since 1993, this program has been helping employers better serve the older customer by using our nationally-recognized standard of service. Our program has been replicated in 16 cities in 12 states. Each business in this directory was evaluated by trained older adults and found to meet our access standards.*

Our programs include

****ELDERS IN ACTION*** strongly encourages consumers to make informed decisions when making a purchase. ***ELDERS IN ACTION*** evaluates only access to a business from an older adult perspective. **We do not endorse or guarantee the services or products available from the businesses certified by our program.**

Personal Advocate Services

Volunteers provide free individual assistance for people 60 and older, experiencing problems with health care, housing, crime, abuse, or fraud.

Volunteers have received intensive training and have passed a criminal background check. **This is the only program of its kind in Oregon.**

Speakers Bureau

Volunteers educate the public on important topics affecting older adults on how to stay safe and get connected to services.

The *ELDERS IN ACTION* Commission

Volunteers advise local officials and tackle important issues of concern to older adults. Since 1968, we have helped shape the aging policy on all levels.

Volunteers are needed for all of these programs. If you are interested in joining a dynamic group of all ages in making our community a positive one, call us at 503-235-5474 or visit our website www.eldersinaction.org.

We Need Your Support!

ELDERS IN ACTION is powered by volunteers and your donations. We rely on individual and corporate donations as well as grants to sustain and develop effective programs. Economic challenges and cuts in services that face a growing number of our elder neighbors makes our work in the areas of housing, health care, crime and abuse more critical than ever.

Every dollar contributed helps *ELDERS IN ACTION* continue its innovative services and programs.

How You Can Help

- Sign up for an automatic monthly donation by credit card or check to help us stabilize our income throughout the year;
- Call your broker and make a gift of appreciated stock;
- Contribute to the *ELDERS IN ACTION* Endowment Fund, a gift that keeps on giving;
- Name *ELDERS IN ACTION* in your Will for a percentage of your estate or a designated amount;
- Honor a loved one with a memorial or special occasion gift;
- Donate a vehicle to *ELDERS IN ACTION*.
